

Missing EPS Data in CFMRC Monthly Records for 25Q3

November 18, 2025

Dear CFMRC Subscriber,

The TSX has stopped distributing their Earnings Data Monthly data file as of the end of July, 2025. EPS data from August 1, 2025 onward will be derived from EPS data provided by Wall Street Horizon, Inc. (© 2025, a TMX Company, <http://www.wallstreethorizon.com/>), and will be available beginning with the year-end 2025 Q4 update.

Please see the updated *TSX/CFMRC Database User's Guide* in the 2025 Q4 update (forthcoming) for complete details of the change.
